

PLEASE RETURN THIS SHEET TO THE OFFICE BY
FRIDAY, SEPTEMBER 8th.

August 2017

Dear Parents/Guardians:

In an effort to be more consistent with our discipline in grades K-12 and create an atmosphere for learning, we have a student handbook, which is designed to assist students, parents, and staff. The administration and teachers have spent time the first few days of school reviewing and discussing the contents of the handbook. The time spent has assured us that all students have been given an opportunity to become familiar with the handbook. Since students will be held accountable for the information in the handbook, we want to make sure they understand its intent and meaning. It is imperative that parents become familiar with the handbook, too. Please take time to read through it, sign the bottom portion of this letter, and return it to school by **FRIDAY, SEPTEMBER 8TH.**

Our goal is to provide the best possible educational experience for your student. Please call or stop by the school if you have any questions. Thanks for your support and assistance. We look forward to working with you and your children this year.

Sincerely,

Jeff Pietila
Principal

I have received the 2017-2018 LaCrosse Student Handbook and understand it is my responsibility to know its contents.
